

Kartik Pandey

+91 936835477 • kartikpandey.offical@gmail.com • [Github](#) • [Linkedin](#)

3rd-year B.Tech CSE (AI & ML) student at Quantum University with a strong interest in Artificial Intelligence, Machine Learning and Deep Learning, about building intelligent systems and AI-driven applications using PyTorch and modern ML technologies.

EDUCATION

B.Tech – Computer Science & Engineering (AI & ML)	Graduating 2027
Quantum University, Roorkee	8.01 CGPA
Diploma in Mechanical Engineering	Graduated 2023
Quantum University, Roorkee	8.41 CGPA
Class 12	2021
Mother's Glory Public School	62%
Class 10	2019
Mother's Glory Public School	64%

TECHNICAL SKILLS

AI / ML: Machine Learning, Deep Learning, PyTorch, scikit-learn,

Languages: Python, C++

Tools: Git, GitHub, Streamlit, Render, Matplotlib,

PROJECTS

LSTN Stock Predictions Project[\[GitHub\]](#) [\[Demo\]](#)

PyTorch | Deep Learning

- Using Yahoo finance website I have taken data using LSTN I have trained my model And using Streamlit ihave frontend

Streamlit Chat Bot Assistant App [\[GitHub\]](#)

Streamlit | API

- using streamlit and Gemini API using speech recognition modular python to create chatGPT that can speak and communicate with the person in real time and control the system files also

House prediction model using Multiple linear Regression

FastAPI | React.js | scikit-learn | MongoDB | Python

- Full-stack engine combining content-based (TF-IDF, cosine similarity) and collaborative filtering; FastAPI backend with React (Vite) frontend for search, details, and preference tracking.

WORK EXPERIENCE

SAMatrix, samatrix.io: AI / ML Intern

[June, 2025 – July, 2025]

- Applied statistical ML methods to predict customer behavior; handled feature engineering, model evaluation, and result interpretation on real-world datasets.

1 year Internship in Mechanical Domain – [Junior engineer]

[July, 2023 – August, 2024]

- Gained hands on experience in automobile manufacturing and assembly process
- Worked with tools and Machine under the supervision of senior engineers and technicians

CERTIFICATIONS

- Machine Learning Specialization** – Andrew Ng / DeepLearning.AI (Coursera)
- Deep Learning Specialization** – Andrew Ng / DeepLearning.AI (Coursera)
